Section 3: ADDITIONAL GROUP INFORMATION

The Consolidated Appropriations Act (CAA) requires health insurance issuers to report certain data elements to the federal government.

Among the required data elements is certain information about prescription drug and health care spending on an annual basis, including the average monthly premiums paid by employers versus employees. Blue Cross and Blue Shield of Vermont is required to gather this information for your organization with your enrollment in our Small Group Qualified Health Plans (QHP).

What will be the **average percentage of monthly premium** paid by your organization for all eligible employee(s) for their health plan?

_____ %

Note: This amount must be an average percentage.

Section 4: GROUP ATTESTATION & SIGNATURE

I. EMPLOYEE CENSUS

As of 2016 the Affordable Care act defines a Small Employer as an entity with up to 100 full-time equivalent employees. To calculate the number of employees, include all employees that work full-time. Full-time, for this purpose, is defined as an employee that works at least 30 hours per week, or 130 hours in a calendar month. Fulltime equivalents equal the total part-time employee hours worked in a month divided by 120. Those numbers are added together give the monthly number. The 12 month totals are then averaged for the final count. Employers with less than 100 full-time equivalents are considered a small group and are allowed to purchase a Qualified Health Plan.

II. PROOF OF BUSINESS/INSURANCE

When returning your Small Group Certification Form you must include your Employer's Quarterly Wage and Contribution Report. Please indicate terminated, seasonal and part-time employees and the number of hours worked per week by each employee. You may remove Social Security numbers and financial information. If you are not required to file an Employer's Quarterly Wage and Contribution Report (Form C-101) with the Vermont Department of Employment and Training, or with any other state in which you do business, please submit one of the following: IRS Schedule C (Proprietorship); IRS Schedule SE (Self Employed); or IRS Schedule K-1 (Partnership or "S" Corporation).

III. CERTIFICATION

I verify that I have completed the Census information requested on the Employee Census Information Form. I certify that I qualify as a Small Employer as described in section I. and have 100 or fewer full-time and full-time equivalent employees as calculated pursuant to IRS code §4890H(c)(2). I further certify that if I am required to file an "Employer's Quarterly Wage and Contribution Report" with the Department of Employment and Training I have attached a copy of the most recent report to this form or I am a self-employed proprietor and I have attached one of the following: IRS Schedule C (Proprietorship), IRS Schedule SE (Self-Employed) or IRS Schedule K1 (Partnership or "S" Corporation).

I certify that the information provided above is true and complete. I understand that if the above information is incomplete, untrue or is not provided in a timely manner, then group health benefits do not have to be offered or continued.
