Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$5,800 individual <u>plan</u> / \$11,600 family aggregate. <u>Co-insurance</u> and <u>co-payments</u> do not apply to the <u>deductible</u> . This benefit combines your prescription drug and medical deductibles.	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount each <u>plan</u> year before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay. Your plan year: 01-01-2025 through 12-31-2025.
Are there services covered before you meet your <u>deductible</u> ?	Yes, preventive care, wellness drugs	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>co-payment</u> or <u>co-insurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive- care-benefits/.
Are there other <u>deductibles</u> for specific services?	No. There are no other specific <u>deductibles</u> .	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	 \$7,100 individual <u>plan</u>. Family plans have an individual <u>out-of-pocket limit</u> of \$9,200 and \$14,200 family aggregate. <u>Prescription drugs</u>: \$1,650 individua <u>plan</u> / \$3,300 family aggregate. Medical and <u>prescription drug out-of-pocket limits</u> are combined. 	The <u>out-of-pocket limit</u> is the most you could pay in a <u>plan</u> year for covered services. If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket limit</u> must be met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, <u>balance-billing</u> charges, adult vision care, adult dental services and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network</u> <u>provider</u> ?	Yes. See www.bluecrossvt.org/find-doctor or call (800) 255-4550 for a list of <u>network</u> providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan</u> 's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider</u> 's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network</u> <u>provider</u> for some services (such as lab work). For certain <u>emergency services</u> and/or

*Deductible applies to these services. #No cost share when Covered Services are received by an Indian Health Service, Indian Tribe, Tribal Organization or Urban Indian Organization.

Important Questions	Answers	Why This Matters:
		services at an in-network hospital or surgical center (as explained below), the maximum amount you may pay is the <u>plan</u> 's in <u>network cost-</u> <u>sharing</u> amount. In these circumstances, the providers cannot balance bill you. Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All <u>co-payment</u> and <u>co-insurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
